Tax Office: D' Athens, VAT No: 800708225

Company profile/activity, brief description of products/services:

ArdusTech is a BTB company that produces a solid form (powder) of olive oil using the technique of spray drying. Our premium quality clean label ingredient (natural and chemical-free) has no changes to the sensory properties or the chemical composition.

ArdusTech is the first company globally that produces Extra Virgin Olive Oil Powder, suitable for vegan and vegetarian. Our customers have the opportunity now to take advantage of the “ethical” labelling and religious diets because of the Kosher Certification.

We are addressing to the Food, Supplements and Cosmetic Industry where olive oil powder may be used as a specialty ingredient for various **powder products**:

- Food Industry (Bakery products such as pizza crust mixes, instant soups, powder sauces)
- Cosmetic Industry (Powder products such as face masks, foot powders, salt baths)
- Supplements (Soups, protein mixes, protein pizzas, food supplements)
